

SONS OF NORWAY

DISTRICT SIX

California, Utah, Nevada, Arizona, Colorado, New Mexico and Hawaii

Greetings, “Super Sixers”!

Well, many of us are still basking in the glorious time we shared in Loveland, Colorado at the 34th Biennial District Convention/Lodge Meeting. The joy and camaraderie was palpable as we celebrated our Heritage and Culture while also attending to the business of our District.

Many of the highlights of this event have been captured in the attached newsletter put together by our new District Six Public Relations Officer, Kaye Wergedal. I cannot thank her enough for her proactive attitude as a “new kid on the block”. She has moved forward to share this event with the attendees and those who now wish they had been attendees!

It is difficult to express to the Zone 8 Lodges the extreme gratitude of the entire District Six Board of Directors. Organizing a District Convention can be a daunting task and this wonderful group was hit with the tragedy of losing their major Chairperson when they lost Lyle Berge in March of 2016. However, as true Vikings, they persevered and did a fabulous job. The team, led by “The Unsinkable Katherine Browne”, put on an event to remember.

It is now time for all of us to plan and prepare for the next activities coming up in the District in which we can all participate and, again, enjoy one another’s company. Kaye has them outlined on the last page of the newsletter and you can always get the latest news from our District Six web site www.sofn6.org . Webmaster Bruce Fihe keeps the site updated, as well as www.campnorge.org, for the activities at our “Jewel in the Sierras”.

The winter of 2017 will highlight the new Seminars coming your way. “Getting to Know Your Sons of Norway—2017” is the name of these Seminars that will be held in your area. Watch your local newsletter, the District Six Facebook page and the District web site for dates, times and locations.

Med Vennlig Hilsen,

Mary Beth Ingvoldstad
Proud President of District Six
